AMENDMENT AND RESPONSE

This is in response to the Office Action dated May 13, 2004 and is being filed within the six month statutory period for response. A three month shortened statutory period had been set for response, therefore, a two month petition for extension of time, with appropriate fee, is enclosed herewith.

Applicant had previously requested an Interview, in the Amendment and Response dated March 11, 2004, if the amended claims were not allowed. The Examiner's Office Action of May 13, 2004, made no mention of Applicant's request.

Therefore, Applicant again requests an Interview in this case if all claims are not allowed pursuant to the Arguments presented herein.

Reconsideration and allowance of the application is respectfully solicited based on the remarks set forth herein.

Amendments to the Specification begin on page 3 of this paper.
